About

Coper is an association of highly skilled professionals in the creation of CGI / VFX clips.

Our case studies include many clips for world-class stars including: The Weekend, Badbunny, Chris Brown, Morgenstern, Slava Marlow and many others.

We are actively developing the direction of brand production and have already managed to realize effective commercial cases with such brands as:

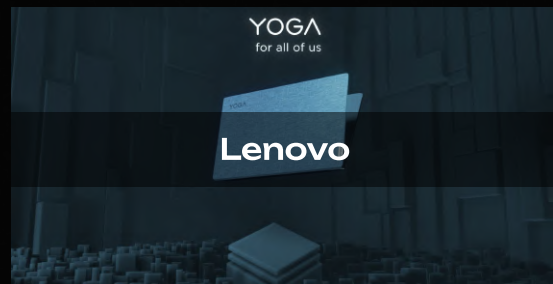

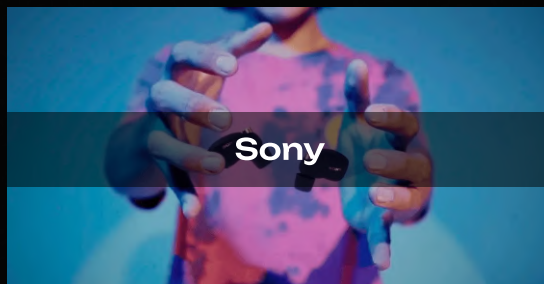

SONY **Lenovo** **OLIMPBET**

PORSCHE **oʻy** **1F** **Wolt**

 **aviasales**  **BUHOBHUKU** **HFC** **magnum**

[More...](#)

XR Video

It is a new video content format that integrates virtual (graphic) content into a real environment.

The statistics of XR videos show greater engagement, reach and virality compared to other video content.

CG Video

CG videos have gained high popularity worldwide and are suitable for any type of communication such as: brand awareness or performance campaigns.

Price

from **2,2 K \$**

The budget of the video depends on the complexity, timing and terms and location. Calculated individually after providing a brief.
